### LATEST NEWS!

LONDON, Sept. 23.

The Madrid Gazette says that Nooalis Chez had arrived on the North side of the Sierra Morena with two regiments of cavalry, eigh battalions of infantry, and three batteries of artillery. The revolutionary Gen. Serano was marching with a large force on Cordora, to give battle to the royal troops.

The greatest excitement prevails, and it is believed that the success of the revolutionists was certain.

Queen Isabella has signified her willingness to abdicate if the revolutionists will accept the young Prince of Asturias as King, she to act as Regent until he attains his majority.

The revolutionists have refused any compromise, and demand the expulsion of the Bourbons and the establishment of a Constitutional Assembly and Pro-

clares that he will not be taken alive.

NEW YORK, 24.

Joe Cooke, in former years prominently known as a circus clown, and for the last six years the proprietor of the Sunnyside Hotel, at Long Island, yesterday made an affidavit before Judge Mansfield, of the Essex Market Police Court, charging H. H. Foster with his forcible abdication and confinement for 5 weeks in the King's County Lunatic Asylum. He also charges him with attempting to poison himself and wife.

The \$100 stolen near Courtland Street yesterday was in possession of the Adams Express Company. The thief was seen, but made his escape through the crowd.
